DCI is part of the High School International Group who specialise in high school placements and guardianship for international students. HSI is one of the only multi-destination providers of high school study abroad programmes in the world with operations in Ireland, UK, USA, and Canada.

*Immersed in the centre of the vibrant city of Dublin and situated on the corner of the iconic O'Connell Street overlooking the River Liffey is Dublin Cultural Institute.*

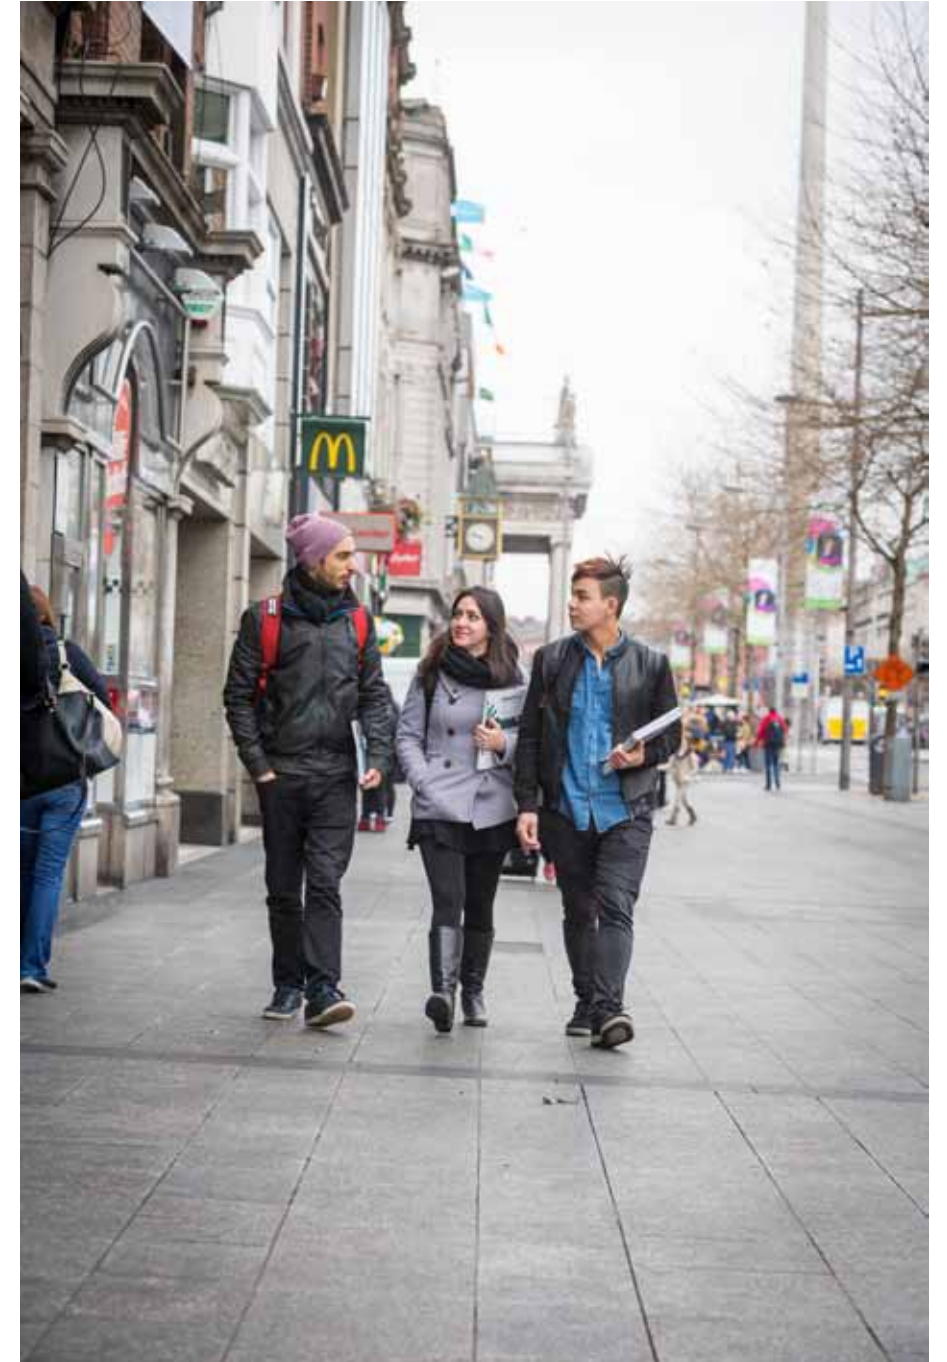

*Dublin Cultural Institute (DCI) is one of Dublin's leading English language schools and has been teaching English to international students since 2004.*

*DCI's close proximity to all the city's major attractions offers something for everyone and is easily accessible by all public transport systems.*

*The refurbished interior  
blends seamlessly with the  
protected building's historical  
characteristics such as the  
staircase's iron balusters.*

*DCI offers quality English  
programmes taught by  
experienced qualified teachers  
who genuinely care for the  
progress of their students.*

*Because of the level of personal attention given at DCI,  
the academic year can be structured to respond to the  
individual student's needs.*

*DCI have created and established an international reputation for teaching excellence in quality facilities.*

*A relaxed, friendly atmosphere provides students the opportunity to truly achieve their academic potential.*

*The courses provided at DCI are recognised by ACELS/  
QQI (Quality and Qualifications Ireland), which is an Irish  
government body and is a guarantee of quality.*

*Studying at DCI is a great opportunity to make new friends  
and mix with people from a variety of different cultures while  
experiencing the benefits of studying English in Dublin.*

*The Student Services Team at DCI are always available and willing to help students deal with any difficulties they may have both in school and living in Ireland.*
